## WELLBEING

### Wellbeing Talk on Today - Online!

Systemically trained psychotherapist Richard Hogan will be giving a talk on wellbeing and preparing for the year ahead.

The talk is for 5<sup>th</sup> & 6<sup>th</sup> years and will take place online today at 6:00pm. *The link is on your Moodle.*

## EXTRACURRICULARS

### NEW: BADMINTON

Badminton starts this week. If you are interested, make sure to turn up to Room G-3 at 3.30pm this Wednesday with your racket.

### D&D/WARHAMMER

The Tabletop Club (Wednesdays, 11.30, Art room) will be expanding to include Dungeons & Dragons on a trial basis. The campaigns will be student led so we'll need both daring adventurers and cunning DMs.

The group is open to those of any level of experiences, providing a fun, welcoming environment to eat lunch and slay goblins.

### SOCIAL LUNCH

#### Our first Social Lunch was a great success!

It's a great way to meet new people from your year in a friendly, relaxed environment. All years are welcome at their lunch time.

There is no need to register or commitment to go every week - just drop into Room 2-3 any Monday during your lunch break and make some fresh connections.

## 4TH YEAR

Life Saving, Sign Language & Barista Training are all up and running and the feedback has been extremely positive. These modules are a great opportunity to have fun and learn a new skill. There are still places available on all three of the above Modules.

## HI STUDENTS,

Open Day season has started – please see details of upcoming Open Days in all our most popular third level destinations on the left. Open days are an invaluable way to do research your options for third level so make sure to attend a few.

## WEEKLY WEBINAR

The webinars are recorded and available on Moodle for you to watch back at your convenience. This week's webinar is on Arts and Humanities. Central to all human cultures, their study can facilitate deeper intercultural understanding and lay the groundwork for a civically engaged life.

They can also prepare you to think critically, act creatively and succeed in a rapidly changing world. An Arts and Humanities degree programme's strength lies in its flexibility. Students can choose to explore a wide breadth of subject areas, while also specialising in at least one of the subject areas they find most intellectually rewarding.

## UCAS

A reminder to students applying for the October 15<sup>th</sup> deadline - if you have not done so already, please give a copy of your personal statement, predicted grades and any additional information to your referee urgently.

***Have a great week, the Guidance Team***
