STUDENT SPOTLIGHT

Congratulations to 5th Year student Stellan Frost and his team, the Bray Golf Juniors, who won The Wicklow Cup on the 26th of September. It was a mid-handicap junior competition, where they paired a high handicapper with a low handicapper (Stellan was the low handicapper) and had 5 parings per team. They had to win a number of rounds before playing Blainroe in the final, which they won 4-1. We wish Stellan the very best of luck in his future tournaments. Stellan is pictured below with the full team.

OPEN DAYS

Open Day season continues this Saturday, 12th October at UCC. There are posters outside all the guidance offices of the main destination universities of our students. The Guidance department highly recommend that students and parents attend open days of any universities that you are considering. They are an invaluable tool for researching prospective universities and to get a feel for both the different campuses and the wide variety of courses available. With so many courses to choose from on the CAO, we cannot overestimate the usefulness and enjoyment of open days.

PARENTS – SAVE THE DATE

CAO opens on November 5th. Join our guidance counsellors Dr. John McGinnity and Aoife McArdle for a virtual information evening on Monday November 4th at 7:30pm to find out all you need to know about applying to study at Irish universities and colleges.

Have a great week, your Guidance Team
