STUDY SKILLS

This week Orla will be delivering after-school Study Skills Seminars online for 5th and 6th years. We strongly recommend attending these as they are intentionally hosted early in the year to ensure you are getting the most out of your valuable study time from the start.

All 6th years need to attend at least one in person seminar. You have a final chance to attend (without the school contacting you personally!) this Wednesday at 12:30 in HG-1, rolls have been taken at all seminars.

5th Yrs / Wednesday the 23rd October / 4:30pm Online

6th Yrs / Tuesday the 22nd October / 5:00pm Online

WELLBEING

The first of our community sharing wellbeing activities is starting today and running for the next two weeks. We invite students to submit Two Sentence Horror Stories to the email below.

Entries will be alternated on the screens around the school in the run up to Halloween and the winning entry will be featured in the yearbook. The winner will also receive an Institute goodie bag. Entries can be sent to studentwellbeing@instituteofeducation.ie

See below for some inspiration from a previous entry.

I sigh in relief to see
I finished my maths
exam just in time.

I look at my calculator,
it's in radians.
