Attendance & Punctuality

We are closely monitoring attendance and punctuality. Please make sure that you arrive to school on time and sign in to all your classes.

We understand that work can pile up. With projects, tests and write-ups due we know that it can feel difficult to juggle it all. You don't need to work through all this alone. The staff in the school office have lots of experience in helping students strike the right balance.

If there is something that worries you or makes you fumble the juggle, please call into the office. We can help you manage the trials and tribulations of the school day, but you need to keep in communication with us.

Congratulations to 5th Year **Roisin Treacy** received the Leinster Sports Award for her outstanding achievements in athletics last year.

4th Year students **Joey Qu** and **Omi Hamid** took first place in the IAMTA Applied Maths Team Problem Solving Quiz, which was hosted by the Institute itself. The **Oliver Murphy** championed event drew teams from a wide variety of school for an intense evening of mathematical competition.

Meanwhile, away from dry land, 4th Year **Eve McMahon** has won U17 Gold Medal in the Laser Radials at Sail Melbourne.
