

# The Value of a US Education: An Expert Panel Discussion

*In this webinar, we will be welcoming an expert panel for a discussion about the value of a US College education! Our panelists will be sharing insights on a variety of topics regarding the value of the US.*

**In this webinar we will cover:**

- ✓ Why study in the US?
- ✓ What's the application process like and what are Admissions Officers looking for?
- ✓ What's college experience like?
- ✓ What's life like after university?

There will be a Q&A at the end of this webinar for you to ask all your burning questions!

*Places are limited so reserve yours now!*
