Random acts of Wildness

4TH YEARS

Tallaght University Hospital Virtual Event was on this week, with topics like "Being a Surgeon in 2021 and beyond" and "A day in the life of an Occupational Therapist" - it was as varied as it was interesting.

Our 4th years loved the Burning House Productions film workshops which took place this month. The workshops are taught by industry professionals who work in the Irish and UK film industry. Emmet Kelly had this to say about our students:

"I must say your students were fantastic. A real credit to your school. Very articulate, imaginative and just great attitudes. I have told them if they want to make a sixty second short film over the next few days or weeks just send them to you to send onto me and I will evaluate them."

PLC colleges are all open for applications and provide a huge number of progression opportunities into Higher Education. In order to secure as many offers for yourself as possible in late summer, it is well worth considering a PLC as part of your 'application package' for 2021.

Welcome back to school

SEACHTAIN NA GAEILGE

Gach bliain bíonn seachtain na Gaeilge ann. Iarraimid ar gach duine, idir dhaltaí agus mhúinteoiri, cúpla rud a rá gach lá.

Ask your teacher "Conas atá tú" -
And listen to the response.

Why not try and have a ciorcal comhrá, a conversation group where you spend cúpla nóimead ag caint as Gaeilge.

Remember,

Beatha teanga í a labhairt and is linn féin í.
Bímis á labhairt!

BAIN TRIAIL AISTI - SURPRISE YOURSELF
