With only two more weeks left of our school year, let's get you safely through your exams and into your Summer holidays. There is always a different energy in the last few weeks of term, and this year will be no different, but the social distancing rules must remain the same:

1. Maintain Social Distancing /
2. Wash your hands frequently /
3. Masks need to be worn at all times in school
4. Walk in single file along the corridors & stairs /
5. No gathering in corridors /
6. Adhere to our circulation plan
7. Cover your mouth and nose when you sneeze /
8. Do not come into school if you are unwell

## 4TH YEAR DELF & IGCSE

## EXTRACURRICULARS

Well done to our 4<sup>th</sup> Years who completed the French Delf Exams last week. The award has indefinite validity, international recognition and is a great achievement.

St. Andrews International  
Model United Nations (SAIMUN)

Normally the school attends several Model United Nations events during the year. However, as the conferences operate with large rooms of students, furiously debating topics, they were all cancelled this year. In an effort to keep the MUN spirit alive, Ireland's largest event, SAIMUN, is holding an online conference for younger delegates. Four of our 4<sup>th</sup> Years (Edward DeBono, Emily-Faye Xantho, Sophie Shaw and Dunah Cui Sun) will debate fascinating topics ranging from Cyber Warfare to Labour Camps and Genetic Editing.

Hopefully, next year will hold more conferences, so everyone with an interest in the world around them can try it out.

**IGCSE**

Best of luck to our 4<sup>th</sup> years who start the IGCSE exams tomorrow. The IGCSE is the world's most popular qualification for secondary school students and is accredited by Cambridge International Examinations.
