4TH YEARS

LOOK INTO LAW

4th year students are starting the Bar of Ireland *Look into Law* programme today. This virtual programme aims to give students an insight into legal work and the world of law.

Students will be taking 5 modules across the coming weeks and will have the opportunity to take part in a Q&A session with some of Ireland's leading figures in the legal world.

DRIVING SCHOOL

Reminder to all 4th year students that payment for the Driving School are due tomorrow - the 2nd of February.

GUIDANCE

HI STUDENTS,

We're delighted to welcome the arrival of Spring at long last. With restrictions lifting and evenings getting longer, there's an air of optimism that we hope you're feeling too. Remember the guidance counsellors are always here to support you with any challenges that you may be facing so pop in to see us anytime.

6TH YEARS

Final Push for CAO deadline tomorrow, Feb 1st. Aoife is doing a drop-in clinic all day today and tomorrow with no appointment necessary - to help with any last minute queries. Well done to all the students who met the UCAS deadline last week. Offers are coming in thick and fast from prestigious universities such as Cambridge, LSE, Durham, Manchester, & Queens. We are very proud of your achievements and excited for you. Best of luck to all of our Elite athletes who applied for the AD Astra Academy today. We are keeping everything crossed for you.

4TH & 5TH YEARS

Save the Date! Any of you who are interested in applying for UCAS we will be having a special webinar, just for you, on March 2nd. Successful applicants start the preparation well in advance so don't miss this webinar.

ALTERNATIVE ROUTES TO UNIVERSITY

PLC (post leaving cert) courses are offered in some schools, colleges and community education centres. A great thing about PLC courses is that as well as offering a recognised qualification in their own right, they can also offer an alternative route to Higher Level education - a stepping stone, so to speak. All PLCs are currently open for applications. Application is made directly to each individual college.

WEBINARS

A reminder that as well as finding the live link to attend our weekly Wednesday webinars on Moodle, you'll find all the recordings to watch at your convenience. This week's webinar is on Biomedical Science, Biomedical Engineering and Biotechnology. We'll have speakers from UCD, NUIG and DCU. As always, 4pm.

Have a great week

I WISH are offering a great prize - to be in with a chance to win. Simply tell them: Which world problem is most important to you and how can we solve this problem and protect our world through STEM? Use any format that you want; video, blog, painting, poem...the options are limitless! For further details go to their web page www.iwish.ie/competition-time/
