6TH YEARS

AGRICULTURAL SCIENCE revision is this Tuesday with Catriona Hendry in the Science Lab. Times: 13:30, 14:30 & 15:30 (The same material is repeated each hour).

Topic Pigs 1

GEOGRAPHY drop-in session with Lesley Aslin for finishing the Leaving Certificate Project is on this Thursday. 11am-4pm / 3rd floor of the 5th year study.

Leaving Certificate Project

SEACHTAIN NA GAELIGE

Inniu, beidh tráth na gceist againn ag am lóin mar chuid de Sheachtain na Gaeilge. Tar le do chairde nó i d'aonar agus cuirfimid i ngrúpa thú - tá fáilte roimh chách! *Today we have a lunchtime Quiz for Seachtain na Gaeilge. Come along and we will add you to a team or come along in a team - it is open to everyone, all years welcome.*

Mon 7th / 11:30 & again at 12:30 / Room 1-4

IAMTA

Well done to our students who won 2nd, 3rd and 4th place at the IAMTA Senior Problem-Solving Table Quiz. The evening was a great success with 22 teams taking part. Congratulations to 2nd - Oscar Xu, Gavin Xu, Haoran Ni, 3rd - Liam Smithers, Priya Rait, Duilan Sun and 4th place winners - Mateusz Jakobik, Leo Heinen and Jionglin Li.

Thank you to Oliver Murphy for organising and to Hilary Dorgan, Andy Quinn and all the 4th, 5th and 6th year volunteers who helped run the event. Best of Luck to the Juniors next week!

GUIDANCE

HI STUDENTS,

Remember the guidance counsellors are always here to support you with any challenges that you may be facing. Please sign up for an appointment or drop in any morning 8.30-9.30am.

STUDYING IN THE USA

4th and 5th years - don't miss our talk in 2-3 today at 11.30am, to find out all you need to know about studying in the USA with Crimson Education.

COURSE RESEARCH

Many students are still unsure what courses they should include on their CAO application. Remember that you have right up until July 1st to finalise your choices. A good idea is to allocate a slot in your schedule each week to carry out your research. If you would like support with this process please book an appointment with a guidance counsellor; we are happy to help.

CAO LATE APPLICATION FACILITY

Some students may have missed the February 1st deadline for applying to the CAO. The late application facility opened on Friday March 4th. Late applications cost €60 and the facility will remain open for late applications until the final closing deadline of 5.15pm on the 1st of May.

WEEKLY WEBINAR

Last week's webinar on studying in the UK and UCAS applications was very well attended by our 4th and 5th year students. Thank you to Roxanna Harrap for sharing her time and expertise so generously with us. This week we will learn all about Engineering. As always, it is 4pm on Wednesday, link is on your Moodle.

DARE/HEAR

Don't forget that your supporting documentation needs to reach CAO before the 15th of March.

LANGUAGE EXEMPTIONS

Are you entitled to an Irish and/or a Language exemption? Have you applied? If not, it's time to set the wheels in motion. If you have received an NUI exemption, make sure that NUI has your CAO number. TCD are not an NUI college, and require one language for entry. If you are entitled to a language exemption, and are not taking a language (as well as English) you must complete their language waiver form.

We are delighted that the BT Young Scientist & Technology Exhibition 2023 will be an in-person event this year. The Exhibition is a great opportunity for students to gain valuable experience from developing an idea to presenting the conclusions and findings to the judges during screening and at the exhibition itself. Date - 11th-14th January 2023. ***Please contact your Science teacher if interested.***

MASTERCLASSES

This Tuesday, March 8th, our Masterclass in Maths with Louise Boylan is cancelled - we will reschedule it and the new date will be in The Buzz, on the noticeboards and digi-screens.

This Thursday, March 10th, we have a Geography Masterclass with Breege Henry. **It is for 6th years** and will be live online at 5pm. *Links is on Moodle.*
