RANDOM ACTS OF WILDNESS

Thanks to everyone who submitted to our *Random Acts of Wildness* campaign last week. We loved seeing all your photos on the digital screens around the school. It is great to see students getting out of doors and taking a moment to stop and enjoy their surroundings.

We look forward to seeing whatever it is that you have enjoyed out in the wilderness this week! So lets continue to bring some nature into the school. Images to: studentwellbeing@instituteofeducation.ie and

GUIDANCE

HI STUDENTS,

Can you believe that the Easter holidays are almost upon us? This term has flown by. If there's anything we can support you with, make sure to book in for an appointment or drop in any morning 8.30-9.30am with no appointment necessary.

6TH YEARS

PLC colleges are all open for applications and provide a huge number of progression opportunities into Higher Education. In order to secure as many offers for yourself as possible in late Summer, it is well worth considering a PLC as part of your 'application package' for 2022. Colaiste Dhulaigh and Rathmines College are both having open days on Tuesday 5th April and Ballsbridge CFEI are having an enrolment day on Wednesday 6th of April.

EVENTS DURING EASTER HOLIDAYS

Some colleges are holding Spring Open Days during the Easter Holidays - Griffith College, IT Carlow, Dundalk IT and Maynooth University are having campus tours. Check individual college websites for more details.

WEBINARS

For anyone interested in pursuing further studies in film, tv and media studies, check out our webinar from last week on Moodle. This week we'll learn all about Social Sciences in UCD, a course with options to study many different disciplines including Economics, History, Philosophy, Sociology, Statistics, etc. As always, 4pm on Moodle.

4TH & 5TH YEARS

We are really impressed by your engagement and have enjoyed meeting so many of you in the last few weeks. If any of you haven't seen us yet please make an appointment before the end of the year so you're best prepared to hit the ground running in September.

University Summer School - we cannot recommend highly enough enrolling in Summer Schools at Maynooth University (13th-17th June) or UCD (7th-10th June) to sample life as an undergraduate student. Attend lectures and take part in student-led activities, meet new people, get to know the campus, discover more about the degrees on offer at both universities and get a real feel for college life. Summer schools are an amazing opportunity to get a first-hand insight from current students and lecturers. Maynooth University Summer School is open for booking now and UCD will open later this week. Book early to avoid disappointment.

Have a great week and enjoy the Easter break.
