STUDENT SPOTLIGHT

Congratulations to 5th Year students Asia O'Riordan and Aditya Joshi who participated in RTÉ's Space Camp Challenge series in collaboration with Science Foundation Ireland. The series takes Asia, Aditya and seven other Irish teens on an extraordinary journey to NASA's Marshall Space Flight Centre in Rocket City, Alabama for astronaut training. They had an amazing time with incredible activities such as building rockets, scuba-diving, gravity training and gyroscope spinning. Space Camp Challenge is on at 3:50pm GMT every Monday, for 6 weeks from November 13th and can be viewed on both RTÉ2 and RTÉ Player.

STUDENT SPOTLIGHT

Well done to 5th year student Eoin Lai who won silver in the Physics competition at Round 2 of The Irish Olympiad of Experimental Science (IrEOES) 2023-2024.

IrEOES is an individual Science competition for transition year and 5th year students. The first round took place online and was accessible to any eligible student who wanted to take part. Round 2 took place in Dublin City University (DCU) on Saturday the 11th of November.

A total of 83 students took part in round 2. There were 30 in Biology, 30 in Chemistry and 23 in Physics. As always the contestants were given a fair but challenging test.
