STUDENT SPOTLIGHT

Congratulations to 6th Year student Lily Cooke who made history at Gangwon 2024 as Ireland's first athlete to compete in luge at the Winter Youth Olympic Games.

Lily competed against a total of 92 luge athletes from 26 nations at the Alpensia Sliding Center in Pyeongchang, South Korea.

Lily shared she had an "incredible experience" and said there was a "great atmosphere and it was nice to see so many athletes from different nations".

Lily will be competing in The Nordic Cup in Norway in March in 2024. We wish her the very best of luck in March and look forward to seeing her succeed in her future sporting endeavours.

STUDENT SPOTLIGHT

We are so proud of our 5th Year students Nare Paronyan and Lina Hassan who have had yet more debating success to add to their debating belts! They have recently secured a place for the Finals Day in the Oxford Schools Debating Competition on the 9th of March 2024.

Nare and Lina will fly to the iconic university as part of a select group representing Ireland in this international competition. This event will draw many of the finest young debaters from around the world.

We wish them the very best in Oxford and hope they have enough energy left for the Cambridge Schools Debating Finals - which they also qualified for and which take place the following weekend!
