NEWSLETTER @ THEINSTITUTE OF EDUCATION DUBLIN

08.04.2024

HI STUDENTS

We move from April showers towards the realm of the darling buds of May. You have, we hope, had some relaxation time over the Easter Break and return to The Institute with the batteries recharged, ready to take on the final furlong!! There are a few weeks left until the end of term. Use these days wisely. Stick to the plan and attend classes as per your timetable. We urge you now to concentrate your efforts on the forthcoming end of year/Leaving Certificate written exams. These last few weeks of term afford time for revision and preparation for exams.

Summer beckons and it will be all the sweeter if you do your very best for the rest of term.

Good luck, work hard and remain focused.

Warm regards,

Yvonne, Hugh and Liam

UNIVERSITY SUMMER SCHOOL – REGISTRATION OPEN

We cannot recommend highly enough enrolling in Summer School at UCD (4th-7th June) to sample life as an undergraduate student. Attend lectures and take part in student-led activities, meet new people, get to know the campuses, discover more about the degrees on offer at both universities and get a real feel for college life. Summer schools are an amazing opportunity to get a first-hand insight from current students and lecturers. Book now to avoid disappointment – this always sells out fast.
