SPARKING JOY

Sparking Joy is here! What sparks joy for you? What makes you smile? Whether it is your pet, a sea view or a floating Autumn leaf - we would love to see it, so please share the joy and send in your photos.

Submissions will be rotated on the screens around the school over the next two weeks. Sparking Joy is our most popular competition, bringing a lovely energy with it and making everyone smile. There is a prize for the winner of the competition whose photo will also be featured in the yearbook! Entries to: studentwellbeing@instituteofeducation.ie
