

Leaving Certificate Biology

10 Week Revision Plan

Week 1:

- Food
- Enzymes (excluding immobilised enzymes)
- Digestive System

Week 2:

- Respiration
- Fungi
- Immobilised Enzymes

Week 3:

- Monera
- Viruses
- Cell Structure
- Cell Diversity

Week 4:

- Movement of Molecules
- Plant Structure and Transport
- Protista
- Photosynthesis

Week 5:

- Endocrine System
- Nervous System
- Senses
- Plant Responses

Week 6:

- The Urinary System (Kidneys)
- Skin
- The Breathing System

Week 7:

- The Circulatory System (Blood & Heart)
- The Lymphatic System
- Human Defence System

Week 8:

- Genetics
- Cell Division
- Human Reproduction

Week 9:

- Scientific Method
- Ecology
- Skeleton
- Plant Reproduction

Week 10:

- Experiments
