Congratulations to our Gold Medal winners of The Young Economist of the Year (YEOTY) Awards 2025. They will receive their medals at The YEOTY Award Celebration on Wednesday the 7th of May 2025 in ATU Sligo's Knocknarea Arena, where Gold Medal winners are celebrated and are also shortlisted for further awards in relevant categories. Well done to our winners pictured (front: left to right) Selina Wang, Angela Zhang, Yu Fei Shao, Shiza Waseem and (back: left-right) Shoubhit Mugawar, Cindy Yue Wang, Yvonne O'Toole (Principal) and Rohit Tummala.

YEOTY is an annual competition run by Oide, supported by the Central Bank and Irish universities, that encourages secondary students to explore real-world economic issues through research. It promotes economic literacy, critical thinking, and creativity. Our students presented projects on topics such as social progression and economic growth, youth consumer behavior, tariffs and national economies, U.S. immigration policy, universal healthcare sustainability, and government-driven wage changes in Ireland's hospitality sector.

Thank you to our teachers Rob Quinlan and Keith Hannigan for supporting them through the process.
