STUDENT SPOTLIGHT

Congratulations to our students who had incredible success at the The Young Economist of the Year (YEOTY) Awards at ATU Knocknaree Arena Sligo on Wednesday the 7th of May. Well done to all our Gold Medal winners who were shortlisted for and attended the final. Special congratulations to Selina Wang (pictured above) who won the Overall 5th Year category and to Cindy Wang (pictured top right) who won the Overall 6th Year category. YEOTY is now in its tenth year and is developing into a significant national awards event for the enjoyment and promotion of economics. Commencing in 2013, the initiative has grown from strength to strength with an increasing number of participants and an improved level of quality each year. The national awards event rotates amongst the major third-level institutions in Ireland. The first YEOTY was hosted by the Department of Economics, Finance and Accounting at Maynooth University in 2013.
