## STUDENT SPOTLIGHT

A massive congratulations 4th year Katie Zheng for winning her category: Intermediate Individual in Social and Behavioural Sciences at the Stripe Young Scientist and Technology Exhibition 2026. Katie's work exploring the projected impact of Vape Taxation and Flavour Bans clearly impressed the judges. We are incredibly proud of all 7 of our students who showcased their outstanding projects at this year's SYSTE. Congratulations to Conor O'Neill, Alec Vysotski, Mark Fedorenko, Maksim Snegur, Daniel Ogundipe and Haowen Wang. Finally, a special word of thanks to Catriona Hendry for supporting our students with their projects and congratulations once again for her own nomination in the Educator of Excellence Award 2026.
